

Animal Groomer Role & Responsibilities

Job Responsibilities:

- Dematting and detangling hair as required.
- Bathing, conditioning, and drying pets.
- Trimming pets' nails, brushing their teeth, and cleaning their ears.
- Grooming and styling pets according to pet owners' instructions or standard grooming styles.
- Accommodating special requests that pet owners may have.
- Identifying health issues in pets, such as ear infections, skin conditions, or tooth decay, and informing pet owners of these observations.
- Ensuring that all pets are safe during the grooming process.
- Routinely cleaning work areas.
- Recommending suitable products to pet owners.
- Ability to stand for long periods of time.

Skills / Helpful Qualities:

- Grooming experience is preferred, but Dr. Wulf is willing to train the right candidate for the role
- Dependable and on time
- Trust-worthy
- Gentle with animals and their owners
- Customer focused
- Able to work with the team and independently

Schedule and hours per week:

This is a part time position; the schedule and hours per week can be flexible depending on the needs of the Groomer.

To apply:

Please send your resume, your phone number and a paragraph about why you would be a great Groomer to rcahvetcare@gmail.com.
